

March 2, 2026

Irrigation User,

Current turn fee is **\$75.00** for each ditch you receive water from. This fee is to help maintain the canal and to supply a stipend for the Ditch Captains. Payment deadline is Wednesday, April 22nd, 2026. Water delivery begins Friday, May 1st, 2026. No water may be delivered until turn is paid.

Due to potential changes in water availability this summer, Price City will inform all irrigation users about the extent of any reduction as soon as the necessary information is received.

There will be a pre-season meeting on **Wednesday, April 1st, 2026 at 5:00 PM** at the Public Works Complex, 432 West 600 South, Price.

Please review all the enclosed information on your current garden/field address, ditch number, total hours, open time, open day, close time and close day. If you have a check mark in the ditch captain box this indicates you are the current ditch captain.

A Ditch Captain is required for **EVERY** ditch to guarantee irrigation water delivery.

If there are any errors in the supplied information, please report them as soon possible so the updates can be entered in a timely fashion.

John Boyd
