2026 Price International Days Junior Grand Marshal

Jazmine Lemon

The International Days Committee is proud to announce Jazmine Lemon as the 2026 International Days Junior Grand Marshal, a role that honors not only her vibrant personality but also her joyful presence, caring heart, and the positive impact she has on those around her.

Jazmine is a 14-year-old young lady whose story began in Fort Polk, Louisiana, where her father was serving in the military. Family has always been at the center of Jazmine's life. She treasures the love, memories, and special moments shared with her parents, cousins, and grandfather, "Homedog." After her family's time in the military, they moved to Tennessee to live with her grandmother Bobbie until her passing in September 2015, a loss that became an important part of Jazmine's journey.

Today, Jazmine continues to show strength, determination, and a desire to grow as she works toward finishing school at the Castle Valley Center. She is an outgoing and enthusiastic young woman who enjoys staying active, learning from the people around her, and finding ways to care for others. One of Jazmine's greatest strengths is her compassion and the genuine kindness she shows toward family, friends, and those she meets.

Jazmine loves spending time with her family and creating new memories through activities such as going to the movies, visiting the aquarium and zoo, swimming at the wave pool, and enjoying outdoor adventures. She loves being outside, riding her scooter, and visiting the park. She also has a special love for animals and enjoys meeting and spending time with them, especially her beloved dog, Molly, who she loves playing with and caring for.

Through the years, Jazmine has shared countless treasured moments with her mom, dad, and grandfather, building a lifetime of memories filled with love, laughter, and family connection. Her joyful spirit, caring nature, and enthusiasm for life make her a wonderful representative of the community.

We are delighted to honor her as this year's Junior Grand Marshal and look forward to celebrating with her during the **2026 International Kids Day Parade, Grand Parade and Opening Ceremonies**.
